The Finance Committee was established by vote of the Town over a century ago on March 7, 1895. Article 33 provided for the selection of a "committee of twenty-one", which would consider all articles in the warrant involving an appropriation of money and "make report thereof in print, with their estimates and recommendations for final action of the town....."

Arlington's Finance Committee, however, was not the first in the state. According to the Massachusetts Finance Committee Handbook, "The Finance Committee's beginning was the action of a group of citizens of Quincy in 1870, who created themselves a committee to restore financial order." In 1910, the legislature required finance committees for every town "whose valuation for the purposes of apportioning the state tax exceeds one million dollars." Chapter 39, Section 16, also provided that any other town may "by by-law provide for the election or the appointment and duties of appropriation, advisory or finance committees, who shall consider any or all municipal questions for the purpose of making reports or recommendations to the town...."

In Arlington, the duties and responsibilities of the Finance Committee are stated in the Town Manager Act, Sections 31-35, and in the Bylaws, Title I, Article 7. Finance Committee members must be registered voters of the town. They are appointed by a three-member committee composed of the Moderator, the chair of the Finance Committee and the chair of the Board of Trust Fund Commissioners.

Under Section 4 of Article 7 of Title I of the Bylaws, the Finance Committee "shall consider all articles contained in any warrant except articles on zoning...and those articles which do not require or request an appropriation of money...said committee shall make recommendations, and shall report in print, if possible at or prior to each town meeting, but the omission of said committee so to consider, recommend and/or report shall not affect the validity of any vote or other action at any town meeting. The committee shall also make such general suggestions, criticisms and recommendations, as it may deem expedient. Nothing contained in this section shall preclude the Committee from considering, if it sees fit, articles which do not require or request an appropriation of money."

**ENTERPRISE FUNDS** - Funds that account for all revenues and expenditures for services and allow surpluses to be used to reduce user fees for the services or to pay for capital improvements. Each fund has an independent budget. Losses are made up from the Town's general fund. Presently, Arlington has enterprise funds for Council on Aging Transportation, Recreation, Veterans' Memorial Rink, Water & Sewer and Youth Services.

FISCAL YEAR - July 1 through June 30.

FREE CASH - See Unencumbered Funds.

**OVERLAY** - Funds set aside to cover abatements and exemptions. The amount is determined by the Board of Assessors.

**OVERLAY RESERVE** - Unused accumulated amount of Overlay for previous years that is not required to be held in a specific Overlay account for a given year. Once released by the Board of Assessors, the funds may be used for any municipal purpose.

**RESERVE FUND** - A fund established by the Annual Town Meeting. It is under control of the Finance Committee, which may authorize transfers for extraordinary or unforeseen expenditures. The fund may be composed of an appropriation of not more than 5% of the tax levy for the preceding year.

**STABILIZATION FUND** - A special account created to provide a reserve for municipal expenditures. Transfers into and out of these funds require a 2/3 vote of Town Meeting.

**SURPLUS REVENUE** - The total amount of cash, accounts receivable, and other current assets that exceed liabilities and reserves.

**UNENCUMBERED FUNDS** - The amount of surplus revenue, minus uncollected taxes of prior years. Unencumbered funds must be certified by the State Bureau of Accounts before they can be used. This is also known as Free Cash or Available Funds.

#### REPORT OF THE CHAIR OF THE FINANCE COMMITTEE

The Finance Committee presents to Town Meeting a budget totaling \$212,604,922. This represents a 5.12% increase over the FY 2024 budget approved at last Spring's Annual Town Meeting. Much of this increase is due to the successful \$7 million override vote on November 7, 2023. Fulfilling the commitments made to the voters last Fall by the Select Board, the following amounts have been added to the FY 2025 budget: (1) \$3,100,000 to help the School Department implement its Strategic Plan; (2) \$250,000 to help defray the costs of upcoming new trash collection and disposal contracts; (3) \$200,000 for pedestrian infrastructure improvements, including road and sidewalk repairs; and (4) \$150,000 to continue our efforts to meet our Other Post Employment Benefits (OPEB) obligations. Also consistent with commitments made with respect to the override, Town-side and School-side operational budgets continue to be otherwise capped at 3.25% and at 3.50%, respectively.

Other than these added expenditures connected to the override, the budget that is being presented to Town Meeting is a level service budget, with a few exceptions. This budget adds a .5 FTE position at the Robbins Library and a 1 FTE position to the Engineering Division of the Public Works Department. Ordinarily, the Finance Committee dislikes, if not loathes, creating new positions. Here, however, the Finance Committee has determined both are justified. The part-time Library Assistant will allow for restoration of Thursday morning hours, which were eliminated in 2003. With a library that has seen a 24% increase in circulation since 2019, and circulated more than 950,000 total items in 2023, a modest increase in staffing assistance is warranted. The professional engineering position, which will be funded by the Water & Sewer Enterprise Fund, is necessary to aid the Town in complying with the ever-increasing regulatory requirements being imposed upon municipalities; to develop and oversee improvements to pump stations and pressure reducing valves; and to evaluate and assist the Town in addressing climate resiliency. The Finance Committee views this added position as a necessary investment to enable the Town to meet the needs of the future. On the School-side, after eliminating some positions and not filling others, the School Department has added, net, 1.4 FTE positions which will aid it in meeting its Strategic Plan.

With the FY 2025 budget, modest increases are being made to the Information Technology budget to, among other things, improve our cybersecurity and GIS systems. Additional funding is being provided to the Facilities Department, which has assumed responsibility for additional Town properties and is, like other departments, grappling with greater utility costs. Recognizing the deteriorating state of our playing fields, the Public Works Department Field Maintenance budget has been increased by \$30,000.

On a positive note, the Finance Committee is pleased to report that this year's \$8,562,229 assessment for the Minuteman Regional Technical High School represents a 4.15% reduction compared to last year's assessment. Minuteman is also keeping to its promise, made to the Arlington Finance Committee, that debt service for its athletic fields will not be assessed to member towns but, instead, will be funded through rental revenue. Going forward, the Town should not expect this good news concerning our assessment to continue. As students from non-member communities continue to matriculate, Arlington, as well as the other member communities, will have to shoulder a greater share of Minuteman's operating and capital costs.

Balancing this year's budget has not been an easy feat. Despite the voters' generosity in approving an override, there still remain many unmet needs. At the same time, we are confronted with increasing financial pressures beyond our control. For example, despite our longstanding practice of budgeting conservatively, this year State aid was still significantly less than projected, while insurance rates were somewhat greater than expected. Other factors, such as inflation, including rising utility costs, continue to be problematic. Difficult decisions had to be made with respect to the FY 2025 budget. Even more difficult decisions lay ahead.

Last year the Chair warned that our upcoming new solid waste collection and disposal contracts, which are currently being negotiated, will be significantly more expensive and burdensome to the Town. Although the infusion of \$250,000 into our Solid Waste budget by way of last November's override vote is helpful, it simply will not approach what will likely be needed to meet our next contractual obligations. Town Meeting should prepare to see those added costs starting in next year's budget. The Town Manager continues to struggle to fill positions at a time when the Town has fallen behind its peers in compensation for employees. As this Report is being written, the Town Manager is working hard to reach agreements with our employee unions. In the hope that there might be agreements reached before the end of Town Meeting, the Finance Committee will report on Article 65 – Collective Bargaining -- at Town Meeting. Even if there are no agreements to ratify, the Finance Committee will make a recommendation that Town Meeting appropriate a sizeable sum of money, likely \$1,107,282, into the Salary Reserve account. While the override added \$200,000 to our capital budget for mobility improvements, even with this money our Public Works Department will continue to struggle to meet our road and sidewalk needs. A rebuild or renovation of the Ottoson Middle School looms before us. On top of all this, the Town must soon face the reality that we can no longer avoid making substantial repairs to Town Hall, which will require enormous funding.

For this Chair, the most important promise made by the Select Board to voters concerning the November 7, 2023 override was that there would be no new override vote prior to FY 2027. The Finance Committee is firmly committed to meeting that promise, although achieving this will be difficult. Town Meeting can assist by not acceding to any amendments to this FY 2025 budget that would propose to increase expenditures that are not balanced by reductions elsewhere.

Respectfully submitted,

Christine P. Deshler, Chair Arlington Finance Committee

#### APPROPRIATION / PEG ACCESS BUDGET

To see if the Town will vote to appropriate or transfer a sum or sums of money for the support of public, educational, and/or governmental ("PEG") access cable television services, said sum or sums to be provided for by the cable franchise agreements and cable licensing fees, detailed in an operational cost, building expenses, and capital expense budget, and expended under the direction of the Town Manager; or take any action related thereto.

(Inserted at the request of the Town Manager)

### VOTED: That the Town appropriate the cable revenues projected for Fiscal Year 2025 as follows:

| 2025 PEG Access Budget   | Amount              |
|--|---------------------|
| Total operating revenue anticipated from cable providers:  | \$633,169           |
| Total capital revenue anticipated from cable providers:  | \$83,860            |
| Misc. Income (including membership dues, workshops interest & donations): Fidelity Investment account: | \$7,290<br>\$32,000 |
| Total Revenues   | \$756,319           |
| Total Operating Expenses (including salaries and taxes)  |                     |
| Salaries and Taxes:  | \$501,378           |
| Expenses:  | \$223,000           |
| Capital:   | \$83,860            |
| Total Expenses   | \$808,238           |

(16-0-1)

**ARTICLE 35** 

**COMMENT:** These are funds which formerly were transferred directly from the cable providers to the cable access network (ACMi). However, the State has issued rules requiring these funds to be appropriated through Town Meeting. ACMi receives 5% of revenue derived from cable subscriptions. Because many residents are cancelling subscriptions in lieu of streaming services, ACMi is anticipating a deficit of over \$50,000, which ACMi will have to make up.

- b. appropriates into said fund the sum of \$155,000 representing the increased share of retiree HMO contributions as voted by the Select Board on November 6, 2006; said sum to be raised by the general tax.
- c. appropriate into said fund the sum of \$150,000 from monies raised by the November 2024 override vote and thus raised by the general tax.

**COMMENT**: These recommendations continue the program to fund the Town's unfunded liability for retiree health insurance. At the time of the printing of this Report, no collective bargaining agreements have been reached; however, agreements could be reached before Town Meeting concludes. Even if agreements are not reached, the Finance Committee will recommend an appropriation in Article 65 to help fund the Salary Reserve account for future contracts. This will increase the recommended appropriation from the Override Stabilization Fund by the same amount, and will carry into the future years' forecasts.
